Dear Captain Harrison:

It is regretted that the request contained in your letter of 19 December for a series of lectures to your Legal and Intelligence Unit cannot be granted.

We shall be pleased, however, to provide a speaker for one meeting to give your unit such information about this Agency as can be made available for other than internal Agency purposes.

A representative will contact LCDR Anshey to arrange an appropriate date and other details if this will be satisfactory with you.

The interest which prompted your request is appreciated.

Sincerely,
